

MULTI-PURPOSE FAVORITES

Our XL® brush and WhiteDove™ roller are our most popular and widely used tools for a variety of exceptional reasons, starting with versatility.

XL

Provides a beautiful finish with all paints, primers and stains on walls, ceilings and trim.

WhiteDove

For a smooth, lint-free finish with all paints, primers, stains and clears on drywall, ceilings and floors.

CUTTING IN + TIGHT SPACES

For precision work around corners and trim.

Clearcut® & Clearcut Elite™

For cutting in and around trim and molding.

XL Cub

For small projects and hard-to-reach areas.

XL Elite

For walls, ceilings and trim.

Mini Rollers

Made from the same quality fabrics as the standard roller covers, mini rollers are available in a variety of naps and sizes.

PREP TOOLS & ACCESSORIES

If Purdy® doesn't make it, Pros don't need it.

Purdy isn't just exceptional quality brushes and rollers, we build tools for every painting need.

From ergonomic handles designed for comfort, to rust-resistant, stainless steel blades, our prep tools are built to last job after job.

Our brush and roller cleaner extends the life of your favorite tools.

Our folding tool is the ultimate multi-tasker.

Frames & poles designed to increase productivity.

Our Power Lock® poles and Revolution™ frames provide quick-locking features and smooth rolling action.
